SUPPORTER OPPORTUNITIES

Regensburg, Germany | April 11–14, 2027

www.eurosim.org

EuroSimE is an established, IEEE-listed international conference with worldwide recognition. It is attended by leading industry and academic experts who work on thermal, mechanical, and multi-physics simulation and experiments in micro/nano-electronics and micro/nano-systems. EuroSimE is a collaboration and networking platform with dedicated sessions on funded projects and roadmaps for future microelectronic products (e.g., the Heterogeneous Integration Roadmap).

**The 28th EuroSimE will be hosted in
Regensburg from April 11–14, 2027**

Technical Talks / Posters Exhibition / Networking / Short Courses
