SHORT COURSES	CONFERENCE EXHIBITION Dinner downtown	CONFERENCE Exhibitor & Sponsor Session EXHIBITION Cocktail party at venue	CONFERENCE EXHIBITION morning

The venue for exhibition, short courses and conference is the Hotel Weitzer in the city of Graz (Das Weitzer Betriebsgesellschaft m.b.H. Grieskai 12-14, 8020 Graz, Austria).

2 What EuroSimE 2023 offers

After 23 successful editions of the EuroSimE conference, the twenty fourth edition is planned in April 2023. It will address the results of both fundamental research and industrial applications for thermal, mechanical and thermo-mechanical solutions of (micro)-electronics, focusing on advanced simulations and experiments. For potential exhibitors, possibilities to present their products and/or expertise are:

- A full booth leg during the 3 days exhibition;
- Participation to a Special Exhibitor and Sponsors Session (on Tuesday afternoon)
- Possibility to organise software training (during the conference)
- Company leaflets displayed at the conference entrance and in the attendant bags;
- Should you want to sponsor EuroSimE, please let us know what could be possible for you, among USB sticks for proceedings, cocktail party, pauses, proceedings edition, dinner etc.

If you choose to exhibit in any way at EuroSimE 2023, we also offer:

- OPTIMAL INTERACTION. For optimal interaction with the attendees, coffee breaks are served in the exhibition conference area, close to the conference rooms and auditorium.
- DINNER. A gala dinner is organised downtown on the first conference day around 19h.
- COCKTAIL PARTY. A cocktail party is organised at venue on the second conference day.
- FURNITURE. Additional tables and chairs are freely available.
- Fax, phones, photocopy are available within the venue at your cost. WiFi is free access.
- LIST OF ATTENDANTS. The list of attendants will be communicated to you 2 weeks before the event (Excel file by email)
- VISIBILITY on the eurosime.org conference web site

If you are interested to exhibit at EuroSimE 2023, please see contact information on last page.

3 Exhibition area

The exhibition will be held in parallel with the conference, in the very same area used for coffee breaks and lunches.

Full booth leg exhibitors will be provided with:

- tables and chairs
- power supply
- as many panels for posters (1 x 2m) as wished

You can ask for any additional item that you would need. The area allocated to you will be approximately 8 m², depending on the final layout (tables for serving coffee breaks) and on the number of exhibitors.

Installation should be possible from Sunday April 16th, from 8h30 (to be confirmed). Dismantling must be completed by Wednesday April 19th 15h00. If you plan to ship a portable stand, please do inform us so that we can make sure that your boxes can be accepted and stored by the venue.

4 Conditions

Participating to the exhibition through a full booth leg is priced **2500 €** (net price, no VAT to add). This amount corresponds to:

- the availability of space and minimum furniture
- full access for 2 delegates to all conference aspects (technical programme and social events)
- a time slot at the Special Exhibitor and Sponsor Session

If you want to hold a specific demo/training session in a private room, we will charge you for the space rental and possible supplemental audio-video hardware.

Should you delegate a third person, this additional person would have to register through the normal channel as other conference attendants. The fee for other ways of participation can be discussed with the local organiser and/or the chairmen of the exhibition committee.

Payment must be done by bank transfer **before March 1st 2023**. The bank coordinates are:

Bank name : CRCA Voisins Bretonneux

Bank address : 2 rue aux Fleurs, FR-78960 Voisins

Account owner : ASTEFO SARL

IBAN : FR76 1820 6001 1745 6605 3300 140

BIC : AGRIFRPP882

If you cancel your reservation in February 2023, we shall reimburse you 50% of the exhibition fee minus bank charges. If you cancel your reservation after March 1st 2023, we shall not reimburse you. In case of a *force majeure* event which would prevent us to hold the event, we would reimburse you 100% (minus bank charges).

5 Liability and insurance

Should you already contracted a comprehensive insurance for your personnel and the exposed hardware, we do recommend that you check you are covered in Austria or ask for an extension to your insurer. In no case will the organisers be responsible for any theft or damage caused to your hardware.
