## About EuroSimE

EuroSimE is an established international and IEEE listed conference with worldwide recognition, attended by leading experts of both the industry and academia working on Thermal, Mechanical & Multiphysics Simulation and Experiments in Micro/Nano-Electronics and Micro/Nano-systems. EuroSimE is a collaboration and networking platform with dedicated sessions on funded projects and roadmaps for the future microelectronic products (e.g. Heterogenous Integration Roadmap).

**The 25<sup>th</sup> EuroSimE will be hosted in Catania on April 7-10, 2024**

Technical Talks
